

Leaflets advertising sights and activities in our city / country

Panagiotis Vasiliadis

How would you fancy...

Exploring the mountain of Olympus, the famous mountain of the ancient Greek gods and hiking up to the top.

Rafting the Acheron river, horse-riding in the woods and swimming through the freezing water to the springs.

Visiting the Petralona cave in Chalkidiki where the skull of the oldest European man was found and buying some souvenirs from the museum.

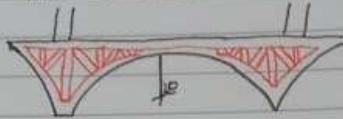

Vasilis Barbas

Do you want an activity in summer?

These are the Top 3 activities you can do in Greece

- First you can sail in the clear water of the Aegean Sea or the Ionian Sea.

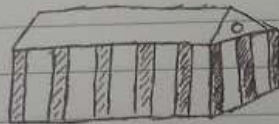

- You can also do Bungee Jumping that is an awesome thing. One of the places that you can do it is the Antirion Bridge.

- The last activity is to go and swim in Mykonos

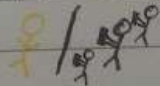

Now the Top 3 places to visit in Greece

- First of all you must visit the Acropolis and Acropolis museum

Crete

- I think Crete it's a very nice destination for holidays.

The last place to visit is the historical Vertis Wax Museum

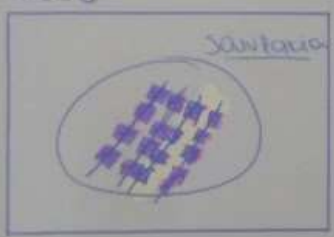

Χαλπίδου 13
