

The parts of thessaloniki

In thessaloniki there are several places that can be visited

- primarily you can go cycling along the promenade

it would also be interesting to visit museums

➤ the most popular of them are :

1. Archaeological Museum
2. Museum of Byzantine Culture
3. Olympic Museum
4. Museum of Cinematography in Thessaloniki

Finally you can visit the Ladadika with most tavernas serving traditional meze and other such culinary delights

I hope my ideas can help you
