

Students become creative using their first name or any word that inspires them !

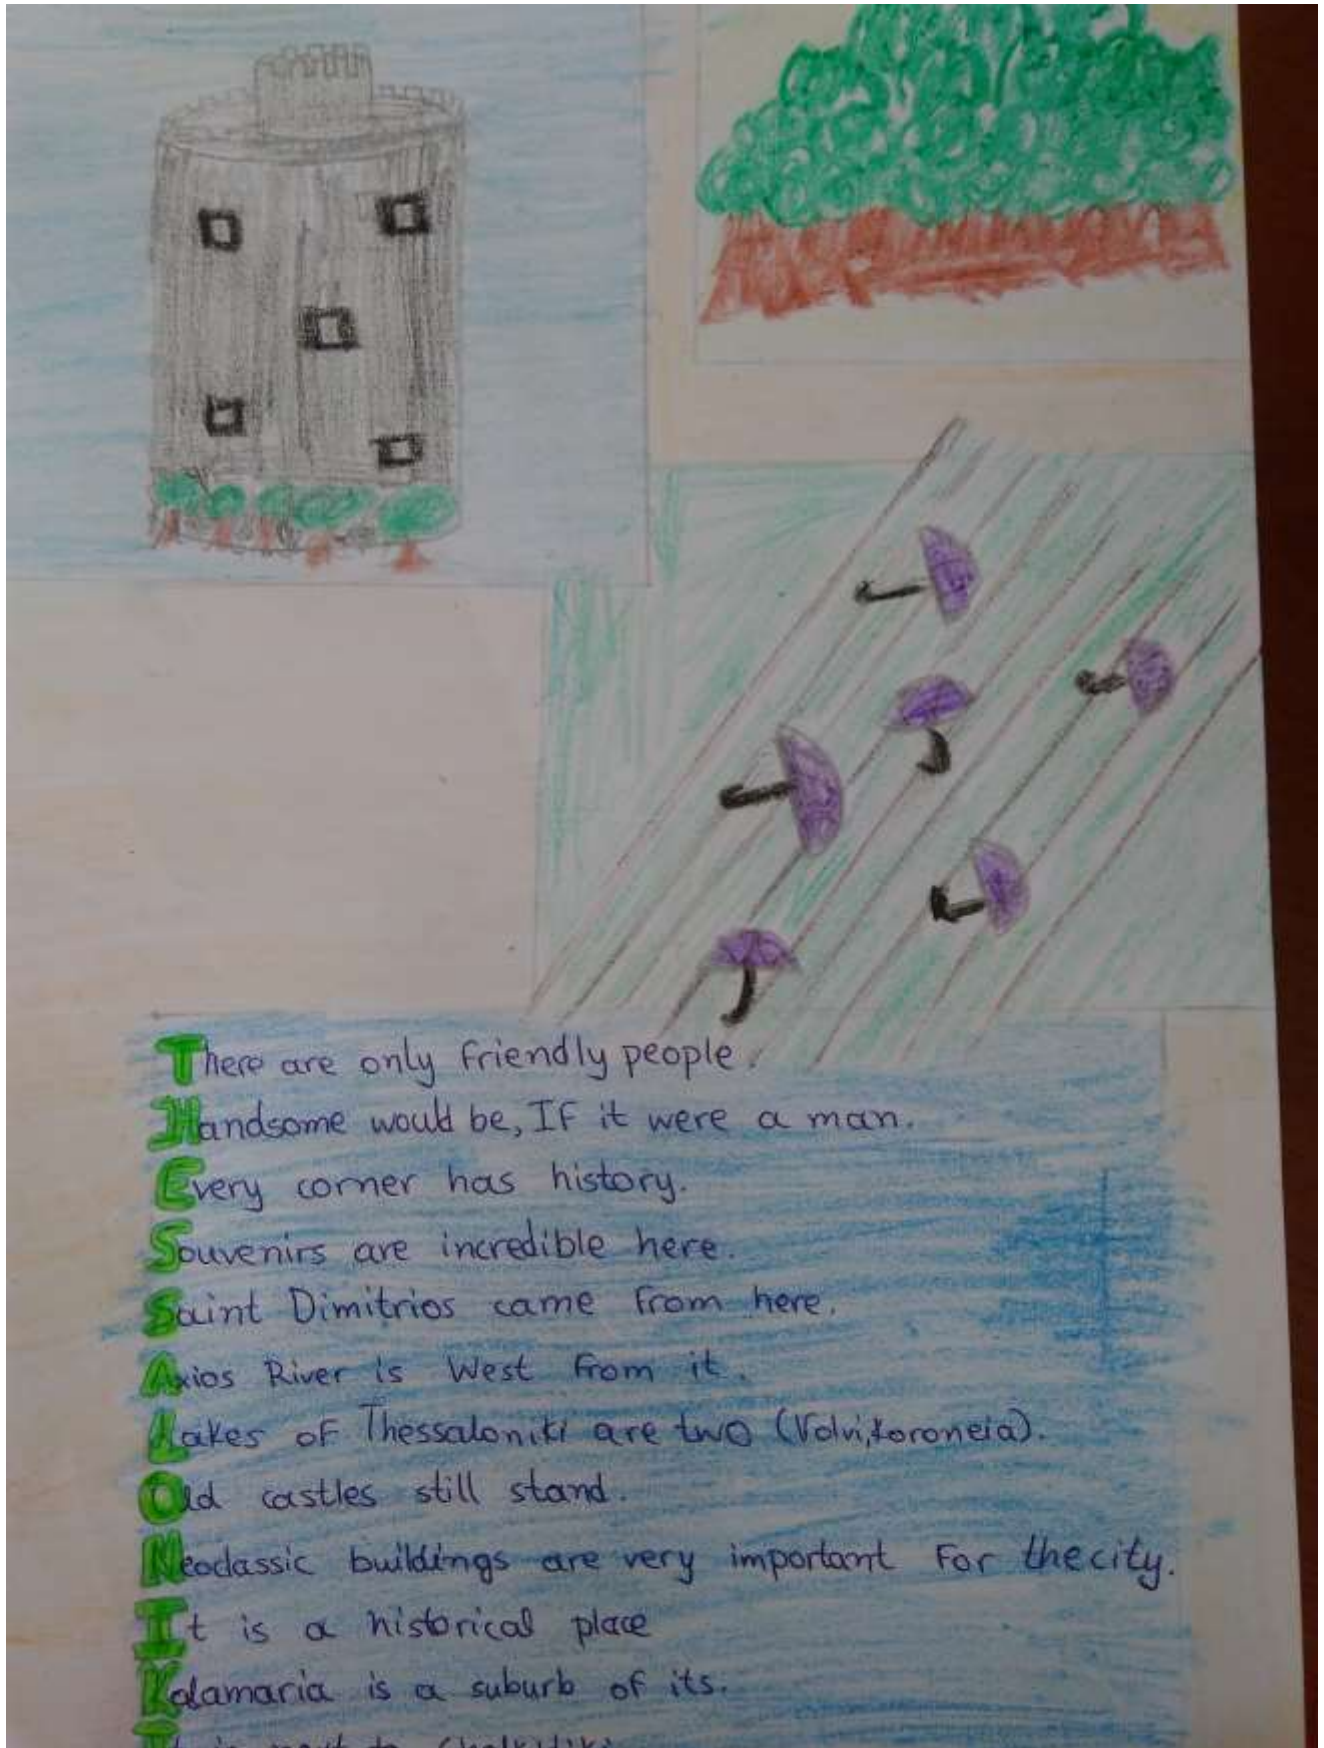

Matina Zafiridou

UNDERTALE

Underestimated by every soul,
No one understands its goal,
Dearly loved by few people,
Everyone thinks it's a poor game,
Rarely gets any fame,
Trying so hard to have a good story,
Anyone would hate it - But don't you worry!
Little do you know the design's actually great,
Even the characters are way too well-made!

Irene Kama

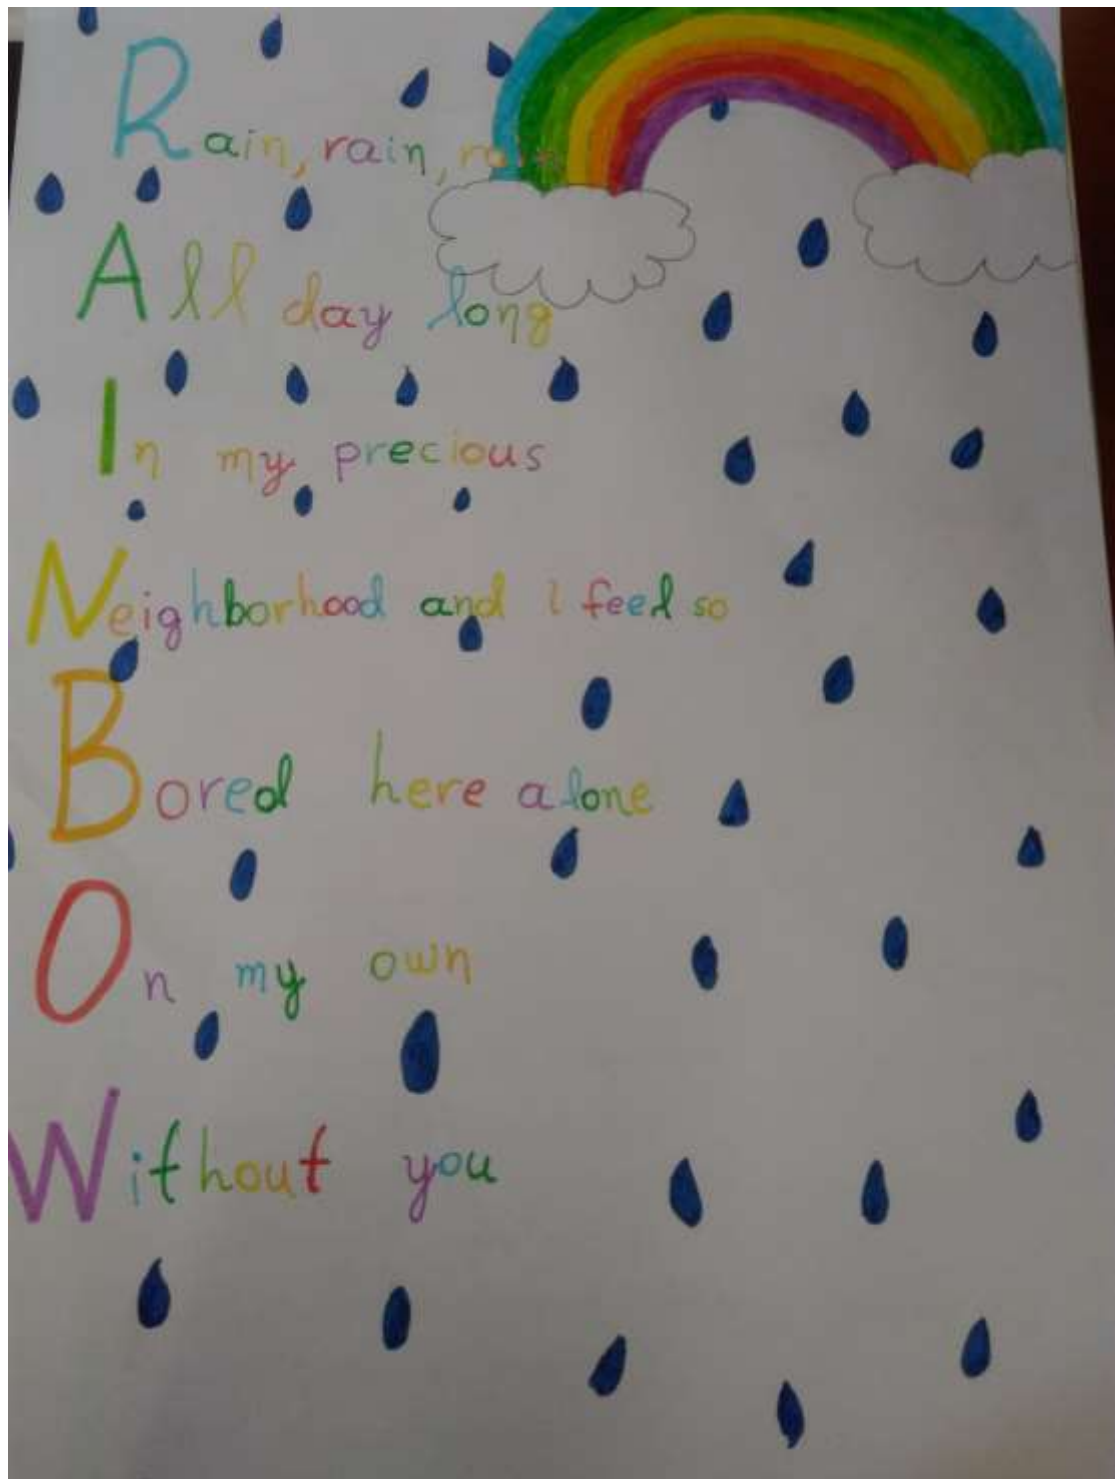

There are only friendly people.
Handsome would be, IF it were a man.
Every corner has history.
Souvenirs are incredible here.
Saint Dimitrios came from here.
Axios River is West from it.
Lakes of Thessaloniki are two (Volvi, Koroneia).
Old castles still stand.
Neoclassic buildings are very important For the city.
It is a historical place
Kalamaria is a suburb of its.
It is next to Chalkidiki
